## Toothpaste

### Product Description

It has long been recognized that the mouth is a gateway to health. For centuries, traditional Chinese Medicine practitioners have looked at the mouth to evaluate the health of the body. Today, modern science tells us that the health of your teeth and gums may be predictive of many elements of wellness such as bone, heart and digestive health. Immunotec toothpaste goes beyond simply cleaning and brightening your teeth, to truly promoting healthy-looking gums.

### Highlight Ingredients

Contains **Immunocal**

**Sorbitol.** Sorbitol is a sugar-alcohol that may reduce the risk of cavity formation.

**Calcium.** Calcium is the most abundant mineral in teeth.

**Myrrh.** Myrrh is an herbal resin that has been shown to be soothing to the mouth.

**Propolis.** This resin collected by bees from tree buds has been shown to support healthy teeth.

### Complementary Products

**Naturally Sourced Calcium from Milk** contains both calcium and vitamin D which support healthy teeth.

**Vitamin and Mineral Supplement with Resveratrol** provides essential nutrients like B vitamins and zinc which support good oral health.

### Features

- Calcium-based, low-abrasion formula
